Did you get mostly 1s? You are the...

Playful Child Archetype

You are fun loving and easy to be around. Romantic partners gravitate to your ease and free-spirited approach to life and relationship.

If you over-identify with this archetype, sometimes people may think of you as silly, flighty and a rose-colored glasses type.

You can harness your gift of the Playful Child by continuing to bring your playful self to dating, while also making sure that you aren't afraid to amp up your fierceness by not being so "nice" and your sexiness by allowing yourself to just sit back and enjoy being a woman.

A gift for you...

Did you get mostly 2s? You are the...

Radiant Rebel Archetype

You are a fierce force to be reckoned with. Romantic partners gravitate to you for your adventurous break-the-status-quo approach to life and relationships.

If you over-identify with this archetype, sometimes people may think of you as “too much,” intimidating or harsh.

You can harness your gift of the Radiant Rebel by continuing to be your bold self in dating, speaking up and taking risks, while also making sure that you aren’t afraid to amp up your playfulness by not being so serious and your sexiness by allowing yourself to just sit back and enjoy being a woman.

A gift for you...

Did you get mostly 3s? You are the...

Sexy Feminine Archetype

You are grounded and embodied. Romantic partners gravitate to you for your soft, heart-centered approach to life and relationships.

If you over-identify with this archetype, sometimes people may think of you as manipulative, meek or self-sacrificing.

You can harness your gift of the Sexy Feminine by continuing to be your tender self in dating, giving and showing your humanity, while also making sure you aren’t afraid to amp up your fierceness and take care of yourself for once, as well as your playfulness - just have fun!

A gift for you...
